Thank you, I will keep you advised. I have also been told to be ready, during that time period, on another case that both you and Sonja did analyses. I will keep you both informed of any future dates.

I have District Court cases in that time period, but yours is the only Superior. So your case would get preference.

James:

I have a case on for trial June 11, 2012, in the Hampden County Superior Court. I expect, if it goes, it would happen sometime that week or within the next few following weeks. The relevant analyses are [REDACTED] through and including [REDACTED]. If you are not available anytime during that period, please advise.

Thanks,
